

## **Index to re:Action (1993-2004)**

ACE inhibitors and angioedema, 1  
ADR under-reporting, 11  
ADRs in critical care units, 14  
ADRs to excipients, 12, 23  
ADRs to unlicensed herbal remedies, 12  
alendronic acid and gastrointestinal reactions, 14  
alternative medicine ADRs, 16  
analgesic-induced headaches, 9  
antiretrovirals and pancreatitis, 30  
aspirin and gastrointestinal haemorrhage, 9, 11, 21  
beta blockers and suicidal ideation, 24  
black triangle - what does it mean, 21  
bupropion and arthritic reactions, 29  
bupropion and convulsions, 19  
calcium antagonist-induced ADRs in diabetics, 15  
celecoxib and cholestatic hepatitis, 22  
Chinese herbal remedy adulteration, 26  
chlorhexidine and anaphylaxis, 17  
ciprofloxacin and breast feeding, 1  
clopidogrel and angioedema, 27  
clopidogrel and aplastic anaemia and thrombocytopenia, 22  
clozapine and agranulocytosis, 3  
co-amoxiclav and jaundice, 10  
community pharmacist reporting of ADRs, 17  
corticosteroids and avascular necrosis of hips, 2  
COX-2 inhibitor and warfarin interactions, 24, 26  
COX-2 inhibitors and bone healing, 25  
COX-2 inhibitors and psychiatric reactions, 27  
COX-2 inhibitors and renal failure, 19, 26  
dapsons and the sulphone syndrome, 7  
diclofenac IM and muscle wasting, 5  
drug name confusion, 1  
drug-induced gambling addiction, 31  
drug-induced hallucinations, 31  
drug-induced liver dysfunction, 5  
drug-induced neutropenia, 3  
drug-induced photosensitivity, 30  
drug-induced torsades de pointes, 7  
drugs bought over the internet and ADRs, 28  
dry eye syndrome, 23  
extravasation, 9  
fentanyl and urinary retention, 24  
fluticasone and adrenal suppression, 25  
food and drug interactions, 28  
forty years of pharmacovigilance, 29  
Gaviscon® and acute hypersensitivity reaction. 7  
GP reporting of ADRs, 27  
heparin-induced thrombocytopenia, 11

hepatitis B vaccine and arthritic reactions, 22  
hepatitis B vaccine and hypoaesthesia, 27  
hospital admission as a result of ADRs, 30  
hypericum ADRs, 18  
hypericum interactions, 19  
hypericum withdrawal reactions, 28  
indinavir and ritonavir and ingrowing toenails, 24  
influenza vaccine and warfarin interaction, 23  
Intal® Spincap failure, 3  
isoflurane and hepatic reactions, 14  
isotretinoin and neuropathy, 31  
lead contamination in ethnic remedies, 2  
long QT interval, 25  
measles and rubella vaccine ADRs, 6  
meningitis C vaccine ADRs, 18  
mesalazine and pancreatitis, 4  
metformin and X-ray contrast media, 24  
methylprednisolone and anaphylaxis, 18  
methylprednisolone and paraplegia, 2  
methyphenidate and valproic acid interaction, 20  
mibefradil interactions, 15  
minocycline and pulmonary eosinophilia and lupus-like syndrome, 9  
minocycline and skin pigmentation, 5  
moxifloxacin and bronchospasm, 31  
n/3 rule, 8  
neuroleptic malignant syndrome, 8  
nicorandil and anal ulceration, 27  
NSAIDs and gastrointestinal reactions, 15, 17  
NSAIDs and heart failure, 23  
nurse reporting of ADRs, 8  
oral adverse drug reactions, 4  
orlistat and hypertension, 19  
packaging problems, 9  
paediatric ADRs, 19  
paracetamol and anaphylaxis, 6  
pentamidine and hypoglycaemia, 10  
pentoxifylline and hallucinations, 5  
pharmacist reporting of ADRs, 13  
protease inhibitors and hypoglycaemia, 13  
Quixil® and neurotoxicity, 17  
reboxetine and urinary hesitancy, 16  
remifentanyl and seizures, 20  
Reye's syndrome, 10  
rosuvastatin ADRs, 28  
selegiline and paraphilia, 25  
serious ADRs, 21  
sildenafil and oesophageal reactions, 23  
spironolactone and hyperkalaemia, 22  
SSRI withdrawal reactions, 1, 15, 26  
SSRIs and gastrointestinal bleeding, 18, 27

SSRIs and hyponatraemia, 1  
statins and myopathy and rhabdomyolysis, 29  
statins and thiazolidinediones, 30  
tamoxifen and retinopathy, 12  
terbinafine and taste loss, 16  
thalidomide and peripheral neuropathy, 22  
tiaprofenic acid and haemorrhagic cystitis, 6  
topical drugs systemic reactions, 3  
unlicensed usage of drugs, 4  
vaccine ADRs, 13, 14, 20  
venlafaxine and bruising, 13  
Viagra® illicit-use and ADRs, 18  
warfarin and alopecia, 12  
warfarin and celecoxib interaction, 21  
warfarin and haemorrhage, 21
